

Phineas and Ferb Scenes Generated by GPT-2 (Bloopers)

While attempting to generate a feasible episode transcript of Phineas and Ferb, the algorithm also generated several hilarious scenes that we've included here for your enjoyment.

Phineas: No, more like Meap. Meap is my brother Cody, and he is causing a stir because of something.

Linda: You're even trying to explain to me why I'm the only one in the entire universe that doesn't have a vagina. Bango-Ru!!!!

Candace: Bango-Ru!!!

Meap: Bango-Ru!!!

Perry: "I'm the indisputable supreme ruler of the Tri-State Area and the only ruler of the HIGHly Unconvinced!" I'm right here.

(pulls out of drawing stand)

Doofenshmirtz: (sighs while lying on toilet paper) Yeah. What else do I need?

♪Perry!♪

Candace: No, no...

Jeremy: Oh, no, I am a perfect little girl. I am so excited, ♪

Candace: Really? Jeremy's getting ahead of himself here! (sighs) He's in too!

Jeremy: That's it! I got the boys. See you on the next planet!

(A satellite lifts off and lands on the Earth) Ah, you're in for a treat.

(Cut to the living room. Monogram puts on a fedora. Cut to Doof and the Queen and then the Queen. Monogram puts a fedora on the Queen's head.)

(Scene opens with ichthy, pungent smells coming from various
floors, all piled up with rotting objects, including: a Chinese
prison, a jail cell full of animal reanimation equipment, and a
Chinese section of the "Busting Machine")

Isabella: Whatcha doin'?

Phineas: We want you to create a Fireside Girls robot, and we'll
teach myself how to make it.

Candace: Hmmm. Be cool. Hmmm.

Jeremy: Candace. Hey, where's Perry?

(Perry the Platypus is catapulted into the air by a force of
tranquilizers darts, and falls into a barrel, where he falls
into a toilet, and falls out of sight, just as Candace is
getting her hair done, she is about to get her nails done, when
a sneeze occurs whilst she is on the toilet, and midair she
falls backwards, out of sight, landing on the ground)

Candace: (She screams)

Major Monogram: Agent P, I understand your frustration, it's
understandable. Sometimes, Carl wants Agent P killed, but
sometimes he doesn't want your friendship to suffer. I'm afraid
we have to move beyond friendship to wipe out all ties with each
other! As you know, this is a real honor guard assignment, so
get out there and do your training.
